

South Bendigo Athletic Club 2024 Club Run 4

27th April 2024

Notleys Reserve – Whipstick Forest

South Bendigo Athletics Club Run 4

Outstanding autumn weather greeted the runners out at Notley's camping ground in the heart of the Whipstick Forest this past Saturday. The hills played their trump card as per usual, and the long distance runners had to contend with a section that was quite rough underfoot. All's well that ends well, however, with all returning to base eventually. Thanks to Peter Jnr and Caitlyn for marking the course in Gregs absence. Hopefully, we will see South Bendigo well represented at the University Athletic Club invitational next Saturday.
