DONNA TICKELL MEMORIAL 1500 METRES

2011 Winner -

Club Member Donna Tickell was killed whilst riding her bike home from school, near Newstead.

This event was set up by the club to remember a youngster who was a willing helper and competitor with the club during the Cross Country season.

DONNA LEE TICKELL

13-09-75 TO 10-05-90

Tragically killed at age 14 years.

A much loved, and loving family person, who enjoyed life to the fullest. An unselfish girl who wished the best for everyone else. Her zest for life is well remembered by those who had the fortune to have known Donna.

Her sporting attitude, was a lesson many could well adopt. No complaints, or regrets, just get on with the job. Her “cheeky” (tom boyish) manner, oozing personality, was an infectious one, which left one feeling good about yourself and proud to be in her company.

Not the fastest athlete around at the time, but an ambassador for her peers, a credit to herself and her family. Every so often a person of outstanding credential comes along. Donna WAS one of those people.

A great mate for her brother Lucas who wears a picture of his late sister tattooed proudly on his chest. Their 'scraps' left many mystified.

Donna was a willing, energetic worker for the Club, helping in any way she could. A terrific club mate, who was always on the sidelines, to offer encouragement and praise to fellow athletes.
